Imagination takes you everywhere...

## Debutots After-School Club, Mondays 3.15pm

"If you are a ladybird, then what sort of bug am I?" Join us with Doug the bug who finds out he's a slug, Ameena the greedy ant, Sammy Spider and whole garden of fun mini beast characters in our **Down on the Ground** topic block.

Then in **Actions Stations! It's Transportation!** we'll travel with Milton Monkey on his first day at work on the Jungle Bus, go on a fabulous imaginative adventure with Chuff the Super Voyager train and take part in the Float a Boat competition.

Finally, the sky will be the limit as our imaginations go on exciting adventures in our **Way Up High, in the Sky** space stories. We'll meet Stella Star, create our very own Space Trek and learn all about the sun, moon, star and planets through story, drama and play!
