

Homefield has its own Cub Scout pack.

Cubs meet on Monday afternoon at 4.00pm and there are also occasional activities arranged at weekends and in the holidays.

In the last year 1st Homefield Cubs have been camping, kayaking, and sailing. They have also tried archery, climbing and other outdoor activities. The cubs have also taken part in a science day, a computer skills day and a chess tournament.

If your son does want to join cubs please send an email to alanaddison80@gmail.com with his name and date of birth. Cubs accepts new members from the age of 7 ½ upwards and any cubs wanting to move up to scouts should do so by their 11th birthday at the very latest. We have space for a total of 18 cubs.

Cubs is part of the Scout Association and the events and programme are separate from the school. If your son does join then decide that he wants to leave there is no guarantee that there will be space for him and he will go to the bottom of the waiting list.

The fees are £45 per term and the cubs are expected to provide their own uniform jumper.

Thanks

Alan Addison
