Debutots After-School Club Wednesdays at 3.15pm

Discover the wonder of words with Debutots this term as we use our unique blend of interactive storytelling and dramatic play to inspire and excite.

Our Summer topic blocks are:

Down on the Ground where we meet Doug the bug who finds out he's a slug, Ameena the greedy ant, Sammy Spider and whole garden of fun mini beast characters.

Then in **Actions Stations! It's Transportation!** we'll travel with Milton Monkey on his first day at work on the Jungle Bus, go on a fabulous imaginative adventure with Chuff the Super Voyager train and take part in the Float a Boat competition.

Finally, the sky will be the limit as our imaginations go on exciting adventures in our **Way Up High, in the Sky** space stories. We'll meet Stella Star, create our very own Space Trek and learn all about the sun, moon, star and planets through story, drama and play!

Why Debutots?

Using a blend of interactive storytelling, and drama, your children will foster the skills to create their own versions of Debutots original stories and inspire their own adventures using a variety of drama techniques.

Debutots nurtures your child's creativity and promotes their language development, encourages their speaking and listening skills, and feeds their imaginations for writing and reading. All **Debutots** classes are carefully mapped to the **Early Years Foundation Stage** and **Key Stage 1** curriculum and are an invaluable support to your child's **English** and **PSHE** education.
