

TechyTots

Dear Parents/Carers,

TechyTots – After-School Classes

Thursday - Reception, Year 1 and Year 2 3.45 - 4.45

TechyTots is delighted to be continuing to bring classes to your school this year.

TechyTots provides a fun way to introduce children to coding by blending technology and play. Learning to code unlocks transferable skills such as Creativity, Critical Thinking, Problem Solving, Sequencing, Concentration, and Confidence.

We aim to introduce children to coding at a young age to prepare them for the technical world we live in today. We provide fun and engaging classes! Through our sessions, children can explore coding with robots and the most advanced toys on the market. We also use unplugged activities that help children learn problem-solving skills and sequences which are educational and fun at the same time!

TechyTots sessions will be running on Thursday and Friday afternoon's 3.45 - 4.45. And are open to all boys in Reception, Year 1 and Year 2.

The Cost for the term is £108 (x9 sessions)

Thursday's 25/04 - 27/06

No Class Half term on 27/05 to 31/05

To book your child's space please go to

<https://www.bookthatin.com/link/HLMP05>

And Select Homefield Preparatory School

There are a limited number of spaces available and these will be offered on a first come first served basis.
