Dear Parents/Carers,
TechyTots – After School Classes
**Thursday -  Reception, Year 1 and Year 2  3.45 - 4.45**
**Friday -  Reception, Year 1 and Year 2   3.45 - 4.45**

TechyTots are delighted to be continuing to bring classes to your school this year.

TechyTots provides a fun way to introduce children to coding by blending technology and play. Learning to code unlocks transferable skills such as: Creativity, Critical Thinking, Problem Solving, Sequencing, Concentration, Confidence.
Our aim is to introduce children to coding at a young age in order to prepare them for the technical world we live in today. We provide fun and engaging classes! Through our sessions, children are able to explore coding with robots and the most advanced toys on the market. We also use unplugged activities that help children learn problem-solving skills and sequences which are educational and fun at the same time!

TechyTots sessions will be running on Thursday and Friday afternoon's  3.45 - 4.45. And are open to all boys in Reception, Year 1 and Year 2.
The Cost for the term is £120
**Thursday's     11/01 - 21/03**
**Friday's         12/01 - 22/03**

(No Class during Half term on 15/02 & 16/02)

To book your child's space please go to
https://www.bookthatin.com/link/HLMP05

And Select Homefield Preparatory School

There are a limited number of spaces available and these will be offered on a first come first served basis.
