

# TechyTots

Dear Parents/Carers,  
TechyTots – After School Classes

**Thursday - Reception & Year 1 3.45 - 4.45**

**Friday - Year 2 3.45 - 4.45**

TechyTots are delighted to be continuing to bring classes to your school in September.

TechyTots will teach children the early steps of coding through play. Coding for those who don't already know is a set of instructions for a computer to understand. A unique session which mixes play with the use of technology and robots which your children will begin to program. Working in line with the national curriculum, we have a different theme every week to keep children engaged. We will be learning how to make robots move, sing and talk.

TechyTots sessions will be running on Thursday ( Reception and Year 1) and Friday (Year 2) afternoon's

3.45 - 4.45

The Cost for the term is £105

**Thursday's 16/09 - 02/12**

**Friday's 17/09 - 03/12**

(Half term W/C 18th October for 2 weeks)

To book your child's space please go to

<https://techtots-sutton-and-cheam.class4kids.co.uk>

There are a limited number of spaces available and these will be offered on a first come first served basis.

We look forward to returning to classes in September.

Kind Regards

Julie Barber
