

TYPING'S COOL

Autumn term 2022 touch typing club

Tuesday 13th Sept – 29 Nov; 4:00 – 5:00 pm

Typing's Cool aims to teach your child how to touch type 20 - 40 words per minute with 95% accuracy. By using all ten fingers and thumbs, rather than pecking at a keyboard with two fingers, pupils can learn to type four to five times faster. Beginners, improvers and advanced typists are warmly welcome. We mix formal technique with fun games and challenges to make learning to type as effective as possible.

Typing's Cool was set up in 2009 to teach children how to touch type and currently works with 7 – 16s, including pupils of all abilities. We run before school, lunchtime and after school clubs in local independent schools, as well as intensive one-week holiday courses. Prior to setting up *Typing's Cool*, Sarah Holt worked as a teacher at Weston Green School and Nick Holt was a secondary school Head of English. We are both passionate about helping all pupils to fulfil their learning potential.

The course consists of weekly after school sessions. We will follow all relevant guidelines to ensure a secure learning environment, ensuring equipment is cleaned prior to use.

To secure your son's place please email us with his name and year group and make a BACS payment using our bank details below prior to the first session.
